Thank you Madam President for giving me the floor. Let me begin by expressing our deep

condolences to the government and people of Nepal for the colossal damage and loss of lives due to

Madam President

~~Reductions in deployment and operations of nuclear weapons cannot be a substitute for~~

megawatt nuclear Power Plant in compliance with the safeguards agreement concluded with IAEA in

1982.

The universal adherence to NPT is an urgent priority and every effort should be made by all States parties, individually and collectively, to achieve this objective. In this regard, we urge all states
